What is the Mabuhay, Inc. Culture School (MICS)?

MICS is a weekend cultural and educational enrichment program for all children ages 4 – 16. Through its activities, MICS promotes Mabuhay, Inc.'s overall mission of **Harmony in Diversity**.

What are the objectives of MICS?

MICS is designed to teach the common bonds of history, geography and culture between the United States and the Philippines. It aims to enhance the self-esteem and cultural competence of young people by learning and sharing the language, customs, and traditions of the Philippines.

How did MICS come about?

MICS was started in 1993 by a group of parents led by Mencie Y. Hairston who saw the need for their growing children to maintain their Filipino traditions and values while adapting to life in the United States..

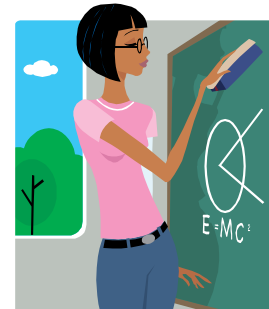

MICS is FUN!

• We learn while we play! Our teachers and volunteers make learning fun with hands-on activities in arts and crafts, conversational *Filipino* cooking, folk dancing, literature, Filipino American and Philippine history, music, Filipino customs and traditions.

• Your child will form friendships with children who share similar life experiences and meet adults who successfully navigate our multicultural and multi-ethnic society.

• Performance opportunities build self confidence.

• Older students may fulfill their school volunteer hours requirement at Culture School.

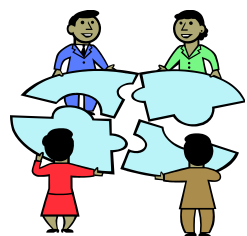

What is the cost of attending MICS?

Attendance is free to Mabuhay, Inc. members. Non-Mabuhay Inc. members pay a nominal fee to cover materials and program expenses.

How can parents help?

Cultural education is a partnership between parents and teachers. We ask that you bring and pick up your child on time every Saturday. We also

encourage that you reinforce your child's learning by continuing the dialogue at home. You may also be asked to bring **merienda**, assist in class or chaperone scheduled field trips.
